Testing User Stories

1.As a potential collaborator i would like after i read the rules to quit the quiz:

You can click the exit quiz button to quit the quiz.

2. As a potential employer i would like to see which answer is correct if i have choose the wrong one:

When you answer the question or the 30 seconds of the timer will passed it will reveal the true answer and it will say also if you have answer wrong.

3. As a potential employer i would like to have the opportunity to restart the quiz from the start:

After you answer the last question it will take you to your score and there you will have the option to replay the quiz.
